Product Description

Everything about Blue Whales are gigantic! Their tongue weighs as much as an elephant, its heart is the size of a car, and their blood vessels are wide enough for us to swim through! Their spout can reach nine metres high and their newborn baby weighs 4000kgs, at eight metres long! Luckily for other ocean animals, the Blue Whale is a friendly giant, with an appetite for mostly krill. The Blue Whale EUGY has been made in association with the Western Australian Museum. Good for nature AND for you! EUGY encourage creativity as well as being environmentally friendly. So go on...bring home your wild! We won a Red Dot Award! The Red Dot is the distinction for high design quality. Only products that demonstrate outstanding design are awarded the coveted seal of quality by the international jury. Our core values are goodwill towards nature and life, refined quality and beautiful design. We are thrilled that our beautiful design is now recognised by a respected international design award, Red Dot. Includes Our products conform 100% to international safety standards (EN71-1,2,3 and CPSIA). A EUGY pack contains 7 flat cards with individually numbered pieces, all ready for you to assemble. *Please note that the product is subject to updates without prior notice. The actual product may slightly vary from images. (*below images are sample instruction) How to assemble 1. Push out each piece from the perforated card 2. Apply glue to each piece 3.
