Product Description

Introducing a wildlife wonder... the colour-changing chameleon! This EUGY is super special, with its posture designed to be perched on the corner of your laptop, desk, or cables! Have your wild friend with you! The bright colours and funky eyes will help lighten up your day. Chameleons change colour to communicate with others, rather than to camouflage. What do you think our Chameleon EUGY is signalling? Good for nature AND for you! EUGY encourage creativity as well as being environmentally friendly. So go on...bring home your wild! We won a Red Dot Award! The Red Dot is the distinction for high design quality. Only products that demonstrate outstanding design are awarded the coveted seal of quality by the international jury. Our core values are goodwill towards nature and life, refined quality and beautiful design. We are thrilled that our beautiful design is now recognised by a respected international design award, Red Dot. Includes Our products conform 100% to international safety standards (EN71-1,2,3 and CPSIA). A EUGY pack contains 7 flat cards with individually numbered pieces, all ready for you to assemble. *Please note that the product is subject to updates without prior notice. The actual product may slightly vary from images. (*below images are sample instruction) How to assemble 1. Push out each piece from the perforated card 2. Apply glue to each piece 3.
