And although these animals appear to be very similar, no two zebras are the same and each has a unique colour. Assemble our 3D cardboard wall puzzle, colour it in or decorate it with glitter and you will see that no two Cartonic puzzles are the same. Because they are all unique, thanks to you! Cartonic - cardboard becomes real ART! CARTONIC is an easy and fun way to create a three-dimensional model of a favourite object or a well-known personality to escape from everyday life, spend time alone or with friends and bring creativity into your life. The set contains cardboard discs made of environmentally friendly material, a wooden base, dowels for attaching the sculpture and instructions. You can leave the finished model as it is or let your imagination run wild and add colourful paints, glitter and anything else you can think of. Recommendations and ideas for colouring can be found on the FAQ page and in our social media.
