

Item no.: 362487

Simple Thermometer/Hygrometer

from **26,41 EUR**

Item no.: 362487
shipping weight: 0.10 kg
Manufacturer: Philippi Design

Product Description

Thanks to the maximum minimal display, the SIMPLE digital thermometer & hygrometer does without the digital overload of the display and for once limits itself to the essentials: Temperature and humidity. That's all that's needed, and the overall impression is correspondingly reduced and elegant, as is the ease of operation. The Alu Frame is suitable for both standing and hanging, the Cube is battery-operated and does not need a cumbersome cable.

Attention! Not suitable for children under 36 months.

- Material: aluminium, ABS 6.5 x 6.5 x 1.5 cm
- Weight: 110 g
- Length: 7 cm
- Width: 7 cm
