Product Description

This charming little purse in the shape of a strawberry is made from high-quality leather and is a real eye-catcher. With its bright red design and lovingly crafted details, it will immediately put you in a good mood. The practical zip ensures that your change, cards and other small valuables are safely stowed away. Thanks to its compact size, the strawberry wallet fits easily into any small bag and is therefore ideal for travelling. The combination of playful design and high-quality workmanship makes this wallet not only functional, but also stylish. Whether you're out shopping, travelling or in everyday life - this cute strawberry wallet is the perfect companion for anyone who enjoys cheerful accessories. Material: leather Dimensions: 8.5 x 10 cm Sustainability- Fair & social - Resource-saving
