Product Description

Our rug is a true work of art that immediately catches the eye. It is designed with a vibrant and colourful floral motif that captures the imagination and adds a cheerful atmosphere to any room. The floral patterns are richly detailed and come in a range of vibrant colours, from bright red and rich blue to bright yellow and fresh green. These lovingly applied designs are reminiscent of a blooming, paradisiacal landscape. The rug is made from robust organic cotton, which makes it particularly hard-wearing and durable. The rug is of handcrafted quality and has decorative fringes at the ends, giving it an extra touch of elegance and tradition. The fringes are finely crafted and of the same high quality as the rest of the rug. The colourful home accessory is GoodWeave certified. The GoodWeave® quality seal recognises handmade rugs that comply with social standards. The GoodWeave carpet label was initiated by Indian non-governmental organisations, German and international aid organisations and the GTZ in order to abolish child labour in India and Nepal. Instead, children are given access to education. The seal also stands for the consideration of social and ecological standards such as fair wages, safe and hygienic working conditions and appropriate working hours for adult carpet weavers.
