Product Description

With this practical organiser, you can easily keep your week under control. The weekly planner offers you enough space to structure all your weekly tasks, to-do lists and weekend plans. It is the perfect solution for organising your everyday life efficiently and also makes an excellent sustainable gift for friends and family. Made from materials from sustainably managed forests, this planner stands for environmentally conscious organisation. We also have a stylish notebook and clipboard to match our weekly planner, both of which are also made from sustainable materials. So you are perfectly equipped to organise your everyday life in a creative and organised way. Material: Paper from sustainably managed forests Dimensions: 28.5 x 15.5 cm Sustainability- Fair & social - Resource-conserving - Vegan Features- From sustainably managed forests
