Product Description

Room Box "China Shop Blue", miniature

The room box "China Shop" is a very special piece of jewellery, as it represents the center of the Reutter porcelain factory, namely the porcelain. It consists of more than 40 items, from tea pot, soup pot, sauce boat and platter to porcelain vases, this miniature china shop really meets every need. Miniature enthusiasts will love this beautiful little creation.

For more than 60 years Reutter has been manufacturing its porcelain collections in its own production facility. Reutter's porcelain miniatures are the only ones of their kind to be manufactured in Germany. And they are famous for their attention to detail. During their manufacture the porcelain articles pass through the hands of as many as 17 skilled craftsmen: after casting, they are glazed, painted and then fired as many as three times to give them their characteristic Reutter look. It is this tradition of craftsmanship which won Reutter friends all over the world.
