Product Description

Bakery, miniature

With our mural bakery you can certainly smell the fresh bread. We pay special attention to the 10 different types of bread. As with a real baker, each loaf is individually made, spread and dusted with flour. No one is like the other. Lovingly, they are placed in the hand-woven wicker baskets.

For over 60 years, Reutter has been producing his large porcelain collection itself. Its porcelain miniatures are the only ones in Germany.

During the process of manufacturing, the porcelain items pass through the hands of up to 17 skilled craftsmen: after casting, they are glazed, painted and then fired as many as three times to give them their characteristic Reutter look. It is this tradition of craftsmanship which won us friends all over the world.

Reutter is constantly working on rounding off and completing his collection of miniatures. They always succeed in inspiring collectors from all over the world.
