Product Description

Bavarian Blue Country Collection

Rustic hand-painted country house furniture adds charming accents to any miniature world.

Decorated with the popular "Gold Onion" decor, they become a highlight in every kitchen. As usual, the blue furniture line is also available undecorated - so there are no limits to the design.

Our furniture and accessories are made on a scale of 1:12 and fit wonderfully into any doll's house or miniature landscape of this size. The filigree workmanship and attention to detail give our miniatures their very special Reutter flair. All our porcelain pieces with gold decoration are hand-painted with 24-carat gold and fired at 800°C. Our miniature works of art inspire people all over the world and often awaken a previously undiscovered passion for collecting.

Everything from Reutter is created with a love of detail and carefully handcrafted, so that you are guaranteed to always have a small unique piece in your home.

Our miniature articles are not suitable for children under 14 years of age.
