### Product Description

Bellwood paper towel holderThe Bellwood kitchen roll holder adds a touch of style and sophistication to your kitchen. With its characteristic Bellwood aesthetic of curved wood, it combines attractive design and practical functionality. The weighted metal base provides stability so you can easily tear off a sheet with one hand. Made from wood from sustainable forestry, this holder is an environmentally friendly choice for conscious households. Combine it with other products from the Bellwood collection, such as the rotating Lazy Susan, practical organisers, storage containers or the spice rack, for a uniform and stylish overall look. Size: 17 x 17 x 32.5 cm. - Attractive And Functional:The Bellwood kitchen roll holder features an elegant bentwood detail and a sturdy metal base. This transforms an everyday household item into a stylish eye-catcher that offers both functionality and added aesthetic value.- Secure And Surface-Protecting Base:The heavy metal base ensures stability, while the padded underside protects your worktop from damage.- Convenient And User-Friendly:The modern, free-standing kitchen roll holder makes refilling and using effortless - simply place the standard or jumbo roll under the wooden arm.- Part OfThe Bellwood Collection:The Bellwood kitchen roll holder is designed to be easy to use. Part of the Bellwood collection:Complement your interior with our popular Bellwood collection, which includes perfectly coordinated accessories such as a napkin holder, rotating organiser, storage containers, spice rack and more.- Original Design & Satisfaction:Our team of international designers bring thought, creativity and original design to everyday objects.
